**PBS Parents Play and Learn** This app, designed specifically for parents, provides more than a dozen bilingual games parents can play with their kids, each themed around familiar locations like the grocery store, a restaurant, the kitchen, and outside.

**PBS KIDS ScratchJr** Kids can create their own interactive stories and games featuring their favorite characters from Wild Kratts, Nature Cat, WordGirl, and Peg + Cat! The storytelling possibilities are endless with this creative coding app for children ages 5-8.

**PBS KIDS Measure Up!** Children 3-5 can join PBS KIDS characters on an adventure through Treetop City, Magma Peak, and Crystal Caves practicing early math concepts focused on length, width, capacity, and weight.

**Play and Learn Science** The games in this app are designed to encourage real-world exploration and build science inquiry skills. The Play and Learn Science app encourages kids to see the science in their world.

## OUTDOOR EXPLORATION APPS

**Nature Cat's Great Outdoors** Go on a new adventure every day with the Nature Cat crew as they explore, discover and observe nature in their own backyard and beyond! Kids can observe the daily weather and use a compass, camera, sound recorder and journal to record each nature adventure. **FREE**

**Ready Jet Go! Space Explorer** Kids can explore the solar system and visit planets, stars and constellations with Jet and his friends. Go on a galactic journey with Jet, Sydney, Sean, Mindy and Sunspot from their backyard in Boxwood Terrace through space! **FREE**

**Wild Kratts Baby Buddies** Join Martin, Chris, and the Wild Kratts team on an African Savannah creature sitting adventure. These baby animals need a lot of attention and care, and with Wild Kratts Baby Buddies app, kids are in charge of feeding, washing, protecting and playing with each one.

**Splash and Bubbles Ocean Adventure** Join Splash, Bubbles, Dunk, and Ripple on a journey to the world's undersea habitats. Kids will discover the creatures that live there, learn about many different plants and animals, and build and decorate their very own ocean!

**Wild Kratts World Adventure** Kids can tilt and tap their way through six multi-level games that encourage exploration of habitats around the world. Focusing on science, each game lets kids observe, explore and use creature power suits to complete missions and help the Kratt Brothers.

**Outdoor Family Fun with Plum** Get ready for some Outdoor Family Fun with Plum! This app offers daily activities that get families outside, exploring their neighborhood and learning about nature. Spending time outdoors has many benefits and nature is all around – you just have to look! **FREE**

**Photo Stuff with Ruff** In this camera-based experience, children learn about science by taking pictures of different materials to complete silly scenes. Play it together and record and share your observations in fun, creative ways! **FREE**
